**ADDITIONAL
INFORMATION****VERY IMPORTANT.**

The new requirements for children (under 18yrs) travelling to or from the Republic of South Africa take effect on 1 June 2015. The requirements are aimed at establishing the principle that all minors require the consent of their parents when traveling into or out of the Republic.

All children under the age of 18 years of age travelling abroad will require an 'Unabridged birth certificate'. A normal birth certificate is not an Unabridged birth certificate.

Please find below regulations for children under the age of 18yrs of age travelling without parents

1. APPLICATION OF THE NEW REQUIREMENTS

1.1. The documents listed under paragraph 4 shall upon request be produced at a port of entry by:

South African minors upon leaving the Republic, and

Minors who are foreign nationals and who are visa exempt when travelling through a port of entry of the Republic.

1.2. Minors who apply for a South African visa at any mission or VFS service-point shall be required to submit as part of the application, documents listed hereunder at paragraph 4, prior to such visa being issued.

1.3. Where a minor applies for a visa inside South Africa or at a South African embassy abroad it shall be standard practice for all supporting documents to be submitted prior to the visa being issued. Sworn translations of the documents should be submitted with the visa application as stipulated in Regulation 9(4) of the Immigration Regulations, 2014. However, persons who are visa exempt need not submit any translations when reporting to an Immigration Officer at a port of entry. ***Supporting documents should either be the originals or certified copies of the originals.***

Parental Consent Affidavit

Parental Consent Affidavit is an affidavit which must accompany an Unabridged Birth Certificate or Equivalent Document when any parent is not travelling with his or her child.

A South African Embassy in the traveller's country of residence may be approached to commission the oath or solemn declaration required in the Affidavit free of charge.

The Affidavit must not be older than 6 months when presented. The same affidavit will still be valid for the departure or return in relation to the same journey regardless of the period of the journey.

A suggested format of the Parental Consent Affidavit is here: [ParentalConsentAffidavit](#)

Unabridged Birth Certificate

In South Africa, an Unabridged Birth Certificate (UBC) is an extract from the Birth Register containing the particulars of a minor and those of his or her parent or parents. UBCs are official documents issued by the Department of Home Affairs in terms of the Births and Deaths Registration Act, 1992 (Act No. 51 of 1992). All birth certificates containing the details of

a child as well as the parents of the child shall be accepted for the purposes of these Requirements as UBCs , regardless of the country of issue.

In the case of countries that do not issue UBCs, an 'Equivalent Document' containing the particulars of the child and his or her parent or parents, issued by the competent authority of that country, or an embassy of that country may be used instead of an UBC. A suggested format for such an [Equivalent Document is available at here](#)

A person who is travelling with a child who is not his or her biological child, such child must produce:

A valid passport, an UBC or Equivalent Document and Parental Consent Affidavit.

Sincerely Yours,

Cape Town 12.12.2017
