We fall in love with Mostar in the minute we saw it for the first time. Old town is an acting time machine. Best ever place to run international competition, where one tradition of an ancient town meets the other of Judo. Borsa Open we classify for ourselves as one of the best organized Judo events for kids. Must do event by great, friendly and passion for Judo professionals!

at the Olympics 1984 & 1988

It was a pleasure for us to be there, there was a great organization for the tournament. We hope to be there for the next tournament Borsa Open.

Thomas Destin
France coach

It's very good tournament for children in Europe! Organization is like IJF event.
