## 1.1 *Foreword*

Organising a World Cup stage in Portugal in Artistic Gymnastics is part of a plan to promote our sport in our country and abroad. This helps to call the media attention and to show the Portuguese population the beauty of this sport.

Both an honour and a pleasure it is, surely, a big responsibility that we undertake with energy and enthusiasm.

The day is approaching and we look forward to receive in our country all of you for what, we hope, will be an experience to remember.

Everything is being carefully prepared for our gymnastics friends from around the world to feel both comfortable and motivated.

So, pack your gear, have a safe journey and come to us in the end of the month for a fantastic World Challenge Cup in Men and Women Artistic Gymnastics.

See you in Anadia!!

## *2.2 Competition and warm-up Hall*

The venue is Centro de Alto Rendimiento de Anadia - Velódromo Nacional, in Anadia with a usable sports area of more than 3.000 m<sup>2</sup>, and capacity for more than 1.500 spectators.

Competition and Warm up halls are conveniently located side by side allowing gymnasts a good standard in preparing themselves for the competition.

Also, this disposition permits a faster and smoother way of developing the competition procedures.

There is no vault in the warm-up area, only in the competition area.

## *2.3 New elements*

New elements must be submitted no later than:

June 22<sup>nd</sup> (Wednesday) at 15H00 – For Qualifications

June 23<sup>rd</sup> (Friday) at 15H00 – For first day of Finals

June 24<sup>th</sup> (Saturday) at 15H00 – For second day of Finals

## *2.4 Requests for apparatuses raise*

Requests for apparatus raise (competition and warm up halls) must be submitted in advance at the moment of accreditation. Changing apparatus height without permission is a violation previewed in the Codes of Points and will be sanctioned accordingly.

In case of any contradiction FIG Apparatus Norms will prevail.

## 2.6 Competition and warm up format

Accordingly to the FIG rules for Challenge Cup and all the other FIG rules and regulation in force, namely the Codes of Points, The Technical Rules and the FIG Statutes, the competition will unfold in two stages, that is, on June 23<sup>rd</sup> and 24<sup>th</sup> gymnasts will compete to qualify for Finals to be held on June 25<sup>th</sup> and 26<sup>th</sup>. The eight best MAG gymnasts and eight WAG gymnasts in each apparatus qualify for Finals.

Should there be the case that the organizing country fails to qualify a gymnast for any of the MAG apparatus Finals or for the WAG apparatus Finals, it is entitled to one wildcard to a MAG apparatus, and one wildcard to a WAG apparatus to the choice of the country.

In this case, nine gymnasts will compete in the respective Final, being the gymnasts to whom the wildcard was conceded the first to perform.

*On the Finals days, gymnasts have the right to warm up 1 hour in the competition hall before the competition, leaving the arena 30 minutes before the start of the competition. Teams are advised to pay attention to the stage managers directions so that the competitions can unfold in a swift and fluid manner.*

On the other hand, owners are responsible for the quality of recording of the delivered CD and also for eventual copyrights issues deriving from the public display of those CD's contents. Should the OC make any backup copy or digital processing of the delivered CD's for competition management purposes, those files or CD's will be destroyed upon completion of the competition.
