Minister of Youth & Sports Malaysia and Chairman of Malaysia SEA Games Kuala Lumpur 2017 Organising Committee (MASOC)

Greetings from the Malaysia SEA Games Kuala Lumpur 2017 Organising Committee (MASOC) and “Selamat Datang” to Kuala Lumpur 2017! We are delighted to have you join us on our journey to Kuala Lumpur 2017 (KL2017), as we prepare to host the 29th SEA Games in August.

Previous hosts of these Games have set the bar very high and we fully intend to keep up with these standards. Thus, we began the work ahead of us with a clear objective of creating a world-class experience for all sports fans across the region while embodying the spirit of the South East Asia Community.

We have chosen the theme “Bangkit Bersama” or “Rising Together”, to represent the deep-rooted essence of our camaraderie, togetherness and friendship while fulfilling our quest for glory and showcasing our sporting prowess.

At MASOC, we understand the needs associated with this lofty ideal and are working tirelessly to ensure that every detail is attended to and the best is made available. In order to assist you in your planning and preparation, we have prepared this Technical Handbook for each sports which contains useful information for your guidance.

On behalf of my colleagues at MASOC, I wish you every success in your preparations towards KL2017.

The Honourable Brigadier General Khairy Jamaluddin,
Minister of Youth & Sports Malaysia & Chairman of MASOC

Message

President, South East Asian Games Federation (SEAGF) and Olympic Council of Malaysia

It is my pleasure to welcome you to our beautiful country. Indeed, it is an honour to be hosting the 29th SEA Games where we will witness 38 sports and 405 events being contested with participation from 11 countries of South East Asia.

The Games, which is under the governance of the South East Asian Games Federation (SEAGF) and recognised by the International Olympic Committee (IOC) and the Olympic Council of Asia (OCA), is anticipated to be an event with countless moments of emotion and pride.

As the President of the South East Asian Games Federation (SEAGF) and Olympic Council of Malaysia (OCM), it is my hope that all participating countries and athletes will adhere to ethical behaviour and demonstrate exemplary spirit of true sportsmanship in your pursuit of podium glory; for it will be the most decorative and beautiful value that we should strive to achieve throughout the Games period.

May I also take this opportunity to reiterate the IOC's stern zero – tolerance policy to combat cheating and to hold accountable anyone responsible for using or providing doping products. MASOC, SEAGF and the OCM are on the same page in this matter and we seek your full commitment and cooperation as leaders of your contingent to ensure that we have a “clean and fair” Games in August this year.

The 29th SEA Games will be a great opportunity to unite participating nations under a common roof and goal in advancing us towards a brighter future of sports. In that same spirit, on behalf of the OCM, I wish you all the best in the upcoming Games and may it be a truly wonderful celebration of our friendship and commitment towards the Region's sports development.

Chief Executive Officer, Malaysia SEA Games Kuala Lumpur 2017 Organising Committee (MASOC)

First of all, I would like to say we are honoured to be hosting the 29th South East Asian Games and are eager to update you on the progress as we intensify our preparation for the region's biggest and most important biennial sporting event.

Since 2015, MASOC has formed 16 sub-committees headed by the various ministries and agencies, which had been working very hard to ensure a smooth run of the Kuala Lumpur 2017 Games – from venue preparation, transportation, lodging, food and beverages to recruiting and training of volunteers. We are also pleased to share with you that 13,000 enthusiastic and reliable volunteers will be participating in Kuala Lumpur 2017 and they are currently being trained in batches.

As challenging as it may sound, we are all charged up and excited to organise the Games for the sixth time. Rest assured that as a host country, Malaysia is doing its best to ensure zero to minimal errors so that all athletes would only need to focus on performing their best and make their respective countries proud.

Meanwhile, we hope you will find the Technical Handbook that we have prepared useful in assisting you to prepare your athletes for the Games.

On behalf of my colleagues, I would like to wish you all the very best and we look forward to nurturing a bond that lasts beyond this sporting event.

Dato' Seri Zolkples Embong
Chief Executive Officer, MASOC
