9. JUDGES

Only judges with the appropriate and valid category of brevet for their function for this XIII Cycle (2013-2016) will be authorized to judge in Stuttgart. The FIG brevetted judges are designated by their National Federation.

Judges are requested to arrive in Stuttgart one day before the respective Judges' Instruction at the very latest, and to be available until the last day of the respective competition they have been registered in by their NF.

According to the FIG TR 2015 Reg. 7.8.2, the General Judges' Rules and the current valid RG Code of Points, the composition each Judges' Panel consists of a total of:

- 4 D- (D1 being the Coordinator), 5 E-, 2 RD-, 2 RE-, 2 L- and 1 T- Judges

Each NF participating with a Team (3-4 Individuals) and a Group may present two qualified judges. Each NF participating with Individual gymnasts and/or a Group may present one qualified judge. A maximum of one judge per NF will be called up to judge per competition.

The selection of the judges is made by draw during the Judges' instruction and the Judges briefings prior to each competition, taking into consideration the degree of the brevet, according to the Judges' Rules. The preference is always given to the judges with the highest qualification. It will be made as follows:

- **D**-Judges are drawn by NF among the judges with category I and II
- **E**-Judges are drawn by NF among the judges with category I, II and III
- **R**-Judges have been appointed by the Presidential Commission
- **T**- and **L**-Judges are drawn by NF among the judges with category I, II, III and IV *

* For NF which have no category I, II or III judges, Category IV judges are allowed to judge time or line, provided they have been registered (by separate e-mail to smartinet@fig-gymnastics.org) by their NF at the deadline of the nominative entry.

All Judges will be "labelled" according to their nationality, i.e. they are presented as representing their NF on scoreboards, on printed judges' lists and results, in TV graphics, etc.

In Competition III, only judges whose federations do not have competitors, nor a No 1 reserve gymnast taking part, may be called upon to judge. The selection is by means of the drawing of lots.

If there are insufficient judges, the TC decides the process for designating the necessary number of judges.

Jury of Appeal

The Jury of Appeal will be composed as follows:

President	Member	Member
Ms Slava Corn	Mr Morinari Watanabe	To be named on site if required

10. DRAWING OF LOTS
