GIMNASTICS

Manual of Competition

WELCOME

On behalf of the Bolivian Olympic Committee, Ministry of Sports and Organizing Committee of the XI South American Games Cochabamba 2018, I am pleased to address the entire South American sports family and especially to the National Olympic Committees, to extend a sincere greeting of sports fraternity and in turn present the competition manual of the mentioned Games.

This competition manual is the result of the hard work of the units that make up the Organizing Committee and whose effort is seen strengthened with the enriching collaboration of the Confederations South American and / or Pan American that work hand in hand to guarantee the success of this sporting event.

This document provides the necessary information for each one of the sports that make up the calendar of the South American Games in its eleventh version. In it, you can find the regulation, system and program of competence and additional information that will allow athletes, judges and delegates to participate in the Games optimally.

Cochabamba dresses up to receive each of the participant delegations and the Organizing Committee makes all the efforts necessary to offer the best hospitality and characteristic hospitality of the Bolivian people, for all the members of the family ODESUR that will attend this event.

The headquarters of the 2018 South American Games will welcome you with your arms open and hopes to live this sports party in the same spirit.

We wait for you in Cochabamba, heart of Bolivia and South America!

Ing. Juan Manuel Chevarria Barrios

TOTAL	8	8	8	24

4. AWARD CEREMONIES

The awards ceremonies will be held at the scheduled times, respecting the regulatory period of INQUIRIES. For the awards ceremony, athletes must wear the official uniforms representative of their country, according to the protocol established by ODESUR.

The athletes to be awarded must present thirty (30) minutes before the scheduled time for the ceremony at the award site.

5. COMPETITION SYSTEM

The classifications corresponding to individuals and teams in both branches will be carried out in the following manner:

- Qualification: All Around Final (AA), Team Final (TF), and the list of gymnasts for Apparatus Finals (AF)
- Apparatus Finals

5.1. Team competition (CIV)

It will be done by adding the four (4) best grades obtained in each

apparatus in the Qualification Competition (system 6.5.4).

5.2. ALL AROUND FINAL (AA)

It will be based on the total addition of points obtained in the four (4) equipments for women and six (6) apparatus for men in Qualification. With a maximum of two (2) per country.

5.3. APPARATUS FINALS (AF)

The classification for the finals will be made with the eight (8) best gymnast (both women and men) in each apparatus and two (2) reserves, with a maximum of two (2) per country.

The evaluation of the Qualification Competition and Apparatus Finals will be established according to the regulations of the score code of the International Gymnastics Federation (FIG), edition 2017 - 2020.

5.4. TIES

In case of a TIE in classification by teams, it will be a tiebreak according to the rules established by the FIG for the Olympic Games. (Refer to TR 2017, section 2, Art 4.4 for classifications and finals).

GAF - Qualification: entry to the competition area is allowed for up to two (2) coaches (one woman and one man or two women) for countries with teams; and a coach (male or female) for countries with individual female gymnasts.

GAM - Qualification: entry to the competition area is allowed for up to two (2) coaches (one woman and one man or two women or two men) for countries with teams; and a coach (male or female) for countries with individual male gymnasts.

In case of a TIE in the final result by teams (C IV) and general individual end (CII), refer to TR 2017, Art 4.4.2.

GAF / GAM - Individual Apparatus final: this will involve the eight (8) best gymnasts of Qualification in each apparatus, with a maximum of two (2) per country. In case of a tie in the final result, refer to TR 2017, Art 4.4.2. In Competition III, each gymnast can enter the competition area with a coach (male or female).

5.4. Composition of the competition groups

The groups and competition order will be established by a draw of lots at the technical meeting with the delegates.

6. COMPETITION PROGRAM

The competition program is provisional and subject to modifications.

7. TECHNICAL MEETING

It will take place on Friday, May 25, 2018, time and place to be defined.

Each National Olympic Committee can attend with two (2) representatives, only one (1) with the right to vote. If necessary to assist with an interpreter.

The technical delegate will preside over the meeting.

The meeting of judges will take place on Friday, May 25, time and place to be defined.

8. FACILITIES AND SPORTS EQUIPMENT

The Municipal Gymnastics Hall will have a competition and a warm-up sector.

The equipment will comply with the regulations established by FIG.

The trainings will be established once the inscriptions have been received and will be carried out instead of being defined.

The facilities can only be used at the times designated by the organizing committee.

9. PARTICIPANTS AND QUOTA (PLACES)

All athletes from countries affiliated with ODESUR and whose national federations are affiliated with the South American Gymnastics Confederation (Consugi) and the International Gymnastics Federation (FIG) will be able to participate.

Each country can register a team of each branch (male and female), consisting of six (6) athletes maximum and four (4) as a minimum.

A team shall provide for not more than Six (6) gymnasts, five (5) may compete on any single piece of apparatus and the 4 highest scores will be taken into account for the team total. Countries that do not register complete team will have the possibility of presenting one (1) to three (3) athletes as a maximum, which will participate as individuals.

These amounts will be part of the 40% integral of each delegation.

9.1. Places minimum of countries

Each event will be enabled with a minimum of five (5) participating countries (Art. 29.1 and 29.2 of the ODESUR competition manual).

9.2. Participation document

The passport is the only document that accredits the nationality of the athlete, being indispensable his presentation to be able to participate in the competition.

10. GENERAL REGULATIONS

The technical requirements for the classification and final by appliances will be applied according to the FIG score code, version 2017-2020.

Artistic Gymnastics competitions for men and women will be rule in accordance with the provisions of the FIG regulations.

Cases not provided for in this manual will be resolved as follows:

- If they are of a general nature: by the Organizing Committee of the XI South American Games Cochabamba 2018, in accordance with the ODESUR regulations.
- If they are of a technical nature: according to the FIG and Consigi rules.

The Organizing Committee will set the schedule of the events and these will be carried out under the supervision of the ODESUR technical committee.

The musical accompaniment must be recorded on CD, which must be delivered to the Organizing Committee at the technical congress, with a sign that contains:

- Name of the federation.
- Country.
- Name of the gymnast.
- Duration.
- Interpreter.

10.1 Appeals

Appeals will be made in accordance with technical regulation FIG 2017 section 1, Art. 8.4 with cost clarification for each appeal of USD 100.- (One hundred 00/100 US dollars) according to the Consugi rules. Appeals will be made in accordance a technical regulation FIG 2017 section 1, Art. 8.4 with the cost explanation for each appeal of USD 100.- (One hundred 00/100 American dollars) according to the Consugi regulation.

10.2. Draws

In cases of draws these will be dealt with in accordance with the regulations established by the FIG for the Olympic Games. Refer to the technical regulation FIG 2017, section 2, Art 4.4 for classifications and finals.

10.3. Uniforms

All international, national and auxiliary judges must present themselves in

the competition with the official uniform established by the FIG.

11. COMPETITION AUTHORITIES

11.1. Technical organization

The responsibility for the technical direction of the event will be in charge of the Consugi, according to Art. 3.3 of the FIG regulations.

11.2. Judges and referees

The judges and referees participating in the competition must have a current valid FIG brevet corresponding to the XIV Cycle (2017-2020). The judges must know the score code and the technical competition regulation, in force on the date of the realization.

The conformation of the judges' panels will be drawn and designated according to what is established in the technical regulation of FIG.

All judges and assistants must report to the gym one hour (1h) before the start of the competition. Similarly, judges will be obliged to participate in all courses and meetings planned by the technical management of the event.

11.3. Superior jury

The superior jury will be integrated by the technical delegate of the Consugi and the presidents of the Technical Committees of the Consugi or their delegates.

II. RHYTHMICS GYMNASTICS

1. DATE AND PLACE

The competition of Rhythmic Gymnastics of the XI South American Games Cochabamba 2018 will be held in the Gymnastics Hall, located on Antonio Villavicencio Street and Monsignor Antezana Rojas, in the city of Cochabamba, from Saturday 02 to Wednesday June 6, 2018.

2. CATEGORY

The minimum age of competition is 16 years old by the year 2018. All gymnasts must have a FIG licence valid until the end of the event.

3. EVENTS AND MEDALS

EVENTS	GOLD	SILVER	BRONZE	TOTAL
all-around Individual	1	1	1	3
Hoop	1	1	1	3
Ball	1	1	1	3
Clubs	1	1	1	3
Ribon	1	1	1	3
Groups general competition	1	1	1	3
Groups 1 st exercise	1	1	1	3
Groups 2 nd exercise	1	1	1	3
TOTAL	8	8	8	24

4. AWARD CEREMONIES

The awards ceremonies will be held at the scheduled times, respecting the regulatory period of claims. For the awards ceremony, the athletes must wear the representative official uniforms of their country, according to the protocol established by ODESUR.

The athletes to be awarded must be presented 30 minutes before the scheduled time for the ceremony at the award site.

5. COMPETITION SYSTEM

The competition system will be according to the FIG for the world championships with changes in relation to the days of competition and number of participants.

5.1. Individual Competition

A. All-around individual competition

- 1 exercise with each of the apparatus imposed within the program

B. Finals by apparatus

- • 1 exercise of each apparatus in which the gymnast is qualified.

5.1.1. Qualification individual

The competition program includes the four (4) apparatus imposed by the program of the year concerned, as indicated in the following table.

			
3	3	2	2

For the athletes who participate in qualifications as individuals, the program is composed of three (3) or four (4) exercises performed with the imposed apparatus. Their classification determines the qualification for the all-around final) that is obtained by the addition of the three (3) highest grade obtained, and for the finals by apparatus (Contest III), according to the note obtained in the apparatus in question. All athletes (maximum two (2) per national federation) who have participated in the

concerning apparatus have the possibility of qualifying to participate in the all-around final and the apparatus finals.

5.1.2. All-around - Individual

The ten (10) best athletes of the qualifications of the Qualifications take into account the maximum limit of two (2) athletes per national federation. Two reserve athletes are appointed taking into consideration the list of results. The called reserve athletes will compete according to the order of the athletes they replace. Reserve athletes should be ready in case they are called to compete.

The program consists of four (4) exercises, using respectively the four (4) apparatus imposed. The classification is obtained by the addition of the four (4) notes in the four (4) apparatus, without taking into account the results of the qualification (Contest I).

The athlete who has obtained the highest score in the sum of the notes of the four (4) exercises will be proclaimed champion.

5.1.3. Individual final by Apparatus

The 8 best athletes (maximum two (2) per national federation) of the qualifications in each of the four (4) apparatus of the program are designated to participate in the individual finals per apparatus. Two (2) reserve athletes are appointed based on the score of qualifications. If they are called to compete, they will take the position of the athlete to replace. Reserve athletes must be ready in the case of being called to compete.

The athlete who has obtained the highest score in each apparatus will be proclaimed champion.

5.2. Groups exercises

A. Qualifications (general competition)

- Two (2) exercises performed by five (5) athletes working in a group.

B. Final by Apparatus

- One (1) exercise with each type of apparatus in which the group is qualified
- One (1) exercise with one (1) single type of apparatus, in which the group is qualified
- One (1) exercise with two (2) types of apparatus in which the group is qualified

5.2.1. Qualifications

The federations participating in the Qualifications must submit two (2) different exercises. One of the exercises must be executed with five (5) identical apparatus. The second exercise must be composed in the way you use the two (2) different Apparatus designated by the CT-FIG.

The national federations may register five (5) or six (6) athletes as a maximum for the complete program of the group exercises (two (2) qualifications and two (2) finals). If you present six (6) athletes, each one must execute at least one exercise. The group exercises must be performed by five (5) athletes. Groups composed of a different number of athletes are not allowed.

The music of the different exercises can be different or identical.

The group that obtains the highest score in the addition of the puntuacion obtained in the two (2) years will be proclaimed champion.

5.2.2. End with one type of equipment / with two types of equipment

The four (4) first groups of the qualification in each of the types of apparatus are qualified to the final. A reserve group will be designated based on the classification of qualifications. If they are called to compete, they will take the position of the replaced group. Reserve groups should be prepared in case they are called to compete.

The group will be proclaimed champion with the highest score obtained for the exercise of the program.

Musical accompaniment

Each federation must follow the regulations of the RG CoP 2017-2020.
